House Rules

Carrer de Sardenya 356, 08025 Barcelona

Lighting

Please remember to turn off the terrace lights when leaving to help save energy.

Maintenance

If you notice a clogged drain on the terrace or any other issues in the basement, the entrance, or the terrace area, please let us know at sardenya356@progenea.org.

Common Areas

We kindly ask you to keep hallways, stairs, and the terrace free of personal belongings. Also, please ensure that no cigarette butts are left behind so that the space remains clean for everyone.

Waste Management

To avoid unpleasant odors, please take your trash bags directly to the street containers instead of leaving them in the common areas.

Security

For everyone's safety, please always make sure the front door is properly closed when entering or leaving the building.

Basement access

Please do not leave any personal belongings outside of the assigned cellar compartments.

dehumidifier

The dehumidifier must remain switched on; otherwise, there is a risk of mold growth.

Thanks!

Thank you very much for helping us keep this building a happy home!
